Amy recently moved to the Isle of Kerrera. She has worked in specialist clinics treating expectant mothers, children, the elderly and infirm patient and children with emotional and behavioural difficulties. She has completed postgraduate courses in Cranial Osteopathy and a diploma in Paediatric Osteopathy. Amy is also a qualified Sports Injuries and Massage Therapist and is trained in strapping and taping for sports injuries. She has treated participants at a number of well known sports events including the London Marathon, Great North Run, Iron Man UK triathlon, walking and cycling events.

**Osteopathy is a gentle and effective method of assessing, treating and preventing a wide range of musculoskeletal conditions.**

Osteopathy can help with:

- Back pain
- Neck and shoulder pain
- Headaches
- Sports injuries
- Joint problems
