## Safety Guidelines

1. Never swim while under the effects of alcohol or after a heavy meal. Avoid holding your breath and swimming long distances under water.  
-
2. Make sure you know the depth of the water and check where slopes lead into deeper water. No non-swimmers, or armbands past the 1.3m mark in the main pool.  
-
3. It is safer to swim with a companion. Keep an eye open for other swimmers and be careful around children and non swimmers. If you see someone in difficulty, get help from our lifeguards immediately.  
-
4. If you have any conditions such as epilepsy, asthma, diabetes or a heart condition please bring it to the attention of the lifeguard.  
-
5. All children under the age of 8 must be accompanied in the water by a responsible adult. Please see our Child Safety admission policy leaflet or see the website for the adult:child ratios.  
-
6. Unruly behaviour in and around the pool is strictly forbidden. Running, ducking, bombing and acrobatics are not allowed.  
-
7. All our lifeguards are trained to the NARS Pool Lifeguard standard, so let us look after your safety while you swim.  
-
8. There are occasional changes to our programme due to events. Please call in advance to check.  
-
9. There are special guidelines affecting pool inflatable sessions. Please take a leaflet advising you of them.  
-
10. We operate a Learn to Swim programme. Please ask at Reception for more information on this.

## **Swimming Pool Programme**

"Swimming is one the very few activities that everyone can have a go at and take advantage of the benefits straight away.

These benefits include promoting weight loss, lowering blood pressure, keeping joints moving and improving general fitness"
